

February 2026 (v2): Edge Training and Consultancy Ltd are a specialist training provider working across England and Wales. We offer over 200 different courses centred on health and social care law, in particular the Mental Capacity Act, Mental Health Act, Safeguarding and the Care Act 2014. We deliver practice-based courses designed to enable staff to feel confident in applying the law to real life work and practice situations. We use a range of highly qualified and experienced professionals often working in legal, health and social care statutory organisations. Details of our trainers and all the courses we deliver can be found on our website: <https://www.edgetraining.org.uk/>

We deliver a range of AMHP courses that meet the competency requirements of relevant training per year as set out in the English & Welsh AMHP Approval regulations. For no additional fee we will liaise with you and the AMHP Lead(s) to ensure your training incorporates any local requests or issues. Training can be delivered as remote or face to face training.

All of the courses listed below:

- Are updated regularly to reflect the latest research, guidance, policy and case law.
- Can be tailored to the specific needs of the commissioning organisation and staff group.
- Have individual outlines which give further detail and include feedback from participants. Request a course outline from: admin@edgetraining.org.uk
- Can be delivered online or face to face.
- Always include opportunities for AMHPs to raise issues and dilemmas in practice during the course.

For more information or to make a booking please contact Louise Elgar, Business Manager, admin@edgetraining.org.uk 07825 731139.
